“ To the family Catherine “Nannie” Plummer I extend my deepest and sincere sympathy to you all. Many years ago I met Nannie through a close friend of mine in Raleigh. She was affectionately known as Nannie. She became Nannie to me too. I have so many special memories of her and I especially remember her 75th birthday. A beautiful woman both inside and out. Thank you for sharing her with me and my family. She will be missed but hold on to those memories as we will as each day passes on.

“ My heartfelt condolences to your family in your sadness and sorrow of losing your loved one. I realize how difficult this loss must be for your family. At such times the Bible can be such a great source of comfort, because it gives us the sure hope of seeing our loved ones again. At John 11:25 Jesus said " I am the resurrection and the life. The one who exercises faith in me, even though he dies, will come to life. " May precious memories of your loved one get you through the painful days until she rises from the dead. John 6:40.
