“ *I'm still standing here and you're miles away. I'm wondering why you left, though I'm trying hard to understand and it's my heart that continues to break the more i try to figure out why. We will bare this pain forever, Just knowing your physical existence and presence will never be felt again. Just knowing we'll never see your smile or hear your laugh again. Just knowing we will never get to hug or kiss you again. 7 years to date and it feels like its was only seconds ago you left us. What we would do to have one more sec, one more min, one more day with you for the rest of our lives. Life just not the same.*

“ Trusting in Jehovah's Promises will give you comfort, courage and strength to walk this path. His Word will light your way, His Peace will fill your heart and His Love will hold you gently. With Deepest Sympathy.

(Psalm 55:22) Throw your burden upon Jehovah himself, And he himself will sustain you. Never will he allow the righteous one to totter.
