“ Please accept my condolences for your loss. The promises that are found in God's word the Bible regarding a time when no resident will say they are sick (Isa. 33:24) as well as the time when death will be done away with forever (Rev. 21:3,4) have served as a wonderful source of support for me during my times of sorrow. I pray that the fond memories that you share will provide you with a sense of comfort during your time of sorrow.
