“ I will always love you Cedric, we only got to spend three years together but we always said to each other it felt like a lifetime because our connection was so strong. We couldn't be without each other in life, you always told me you wasn't going anywhere so I know you still here with me and for that I wont be sad anymore. Thank you for all the signs reassuring me you never left me baby. Keep them coming. Always and forever, love babyboo aka Shauna.
