“ *I am sorry to learn about the death of Celesta. I'm sure that this must have been a difficult time for all of you. I'm forwarding scripture that will comfort you. Psalms 90:10 says that the usual human life span is 70 or 80 years. This was true when Moses wrote it but not so from the beginning. (compare Genesis 5:3-32.) Hebrews 9:27 says..It is reserved for men to die once for all time. This, too, was true when it was written but not the case before God passed judgement on sinful Adam.##imported-begin##JT Nunnally##imported-end##*

“ June, Solei and Brenda I'm so sorry to hear your mom has passed on. I remember the times we shared growing up. Ms. Rose was a strong, sensitive woman, who cared deeply for family and friends and she took in a stray every once in a while. :) You all are in my thoughts and prayers.##imported-begin##Jackie##imported-end##

“ Dear June, I thank you for introducing me to Mom in 1985. She always shared good food, great conversations and her heart of gold. To hear her give her point of view only made me thirst to do more, care more and love more. June, Leslie, Brenda and Family, some people go through a lifetime never being moved by God's gift of Love. It warms my heart to say we'd been moved.##imported-begin##Marilyn Gordon##imported-end##

“ Please accept my sincere sympathy. The sorrow we feel when we loose someone we love can seem to go on forever. It may seem like there is no source of relief. Be assured that there is one that will provide us with relief, "the Father of tender mercies and the God of all comfort" (2 Corinthians 1:3,4). We only have to ask. He promises us that there will soon be an end to death, (Rev 21:3,4) and a resurrection for those who have fallen asleep in death (John 5:28,29). These promises were made by the "God who cannot lie." (Titus 1:2). I would love to discuss these and other wonderful promises with you. Please contact me.###imported-begin###Gwen Winston###imported-end###

“ June, It was quite a big shock when I read your email a few mins ago at 4 am about your mom's passing. You know how much I enjoyed the wonderful meals I got to share with you when your mom sent enough in with you to work. ;-) I really wanted to meet her in person one day. She and I had a few very nice talks on the phone at times when we were at work. Those were the days! Please know how much love and affection I send to you and your family, and to your mom. She's cooking for the Big Guy now. What a lucky person He is!! God Bless You All. Tom Preslar (that ol' retired SECGRUer)##imported-begin##Tom Preslar##imported-end##

“ Brenda, June & Family please know that I've prayed for your family and my heart is with you at this time. I know all too well of your pain, but know that friends are here for you and asking God to walk with each of you, but know your Mom is soaring on high with the master, no tubes or pain.
