In the book of Revelations it speaks of a time when death will be no more and there will be no sorrow and it tells how God will wipe the tears from our eyes. Oh how I long for that day! As for today, am so sorry for your loss and I pray 🙏 that you find comfort in knowing that Jesus knows how you feel. I am asking Jesus to be close to the family and friends in this difficult time and to shower you with his Agape' Love. Amen. Ms. W. Stovall

“ In deepest sympathy to the family. I was shocked to hear of Charles sudden death because of his uplifting spirit whenever around him and his “Golden Corral Buddies he would have me laughing about something crazy he would say. It’s not the same seeing the Buddies” without that smiling face of Charles. God knew best and gave him rest. Keep the memories he’s left in your hearts and I pray strength to all who is feeling the loss and we shall all see him again.

“ We called him Brim. He was a co-worker to my husband & our family friend. He spoiled our daughter & our sons remember the fishing trips. He was a very talented Brother. He repaired & refurbished cars, anything with a motor, buildings & mostly he looked out for his mom & other elders. Brim RIP. You built & left a legacy. Peace be with you, your family & friends. “ To the Family of Charles Brim,

We have had the opportunity to know Charles over the past twenty years. He had such a pleasant personality. Family, please know that life is but a stopping place, a pause in what is to be, a resting place along the road to sweet eternity. We all have different journeys and different paths along the way. We all were meant to learn some things, but never meant to stay.

Charles was always making strong contributions to his community. His acts of kindness to friends and neighbors will always be remembered. He will also be remembered for his special talents for refurbishing lawnmowers.

In addition, Charles will always be remembered for his calm and collected approach to life. You have our sincere condolences.

To the family of Charles Brim, we were so saddened to hear of such a nice person leaving us, but God only takes the best. We have had many, many good times eating at "Golden Correlle" on Midlothian and Shoney's on Hull St. This one was a shocker to us, but we send our condolences to the family and know that he is no longer suffering. We miss you already Charles.

“ *Charles Brim will be greatly missed. I've known Charles since we were teens. Back in the day sporting his shoulder width afro. We worked at Food Circus, PM and some side jobs together. He was always fun to be around, always upbeat, always positive. He was truly a special individual always willing to lend a helping hand. This is going to be a hard person to loose. My condolences to his immediate family, his bother Murkley Brim and all of their love ones...*
