*Hello granddaddy, it's me your great-granddaughter, Camryn❤️. It's been a while since I've last seen you said something to you. I was afraid I would burst into tears (which I did(〒\_〒)) if I took a look and realized you're not here anymore. I've been wanting to visit your grave but haven't had the courage to ask... I want to see you at least since I'm turning 16 soon! It would be very exciting to see you when I'm becoming of a new age in womanhood. It's been too long and I know your face and our memories but our precious memories are fading away.. there's no new ones to make without your presence. I've been missing you and seeing you just to see how you're doing. Your daughter, Sherrie has put up a lot with me as her one and only granddaughter but I cherish her like no other. I can only pray she doesn't leave me for quite some time, not until she sees me achieve. It's been hard living life but it's the only way to do it. I have a little brother you've probably seen him for the past 6 years now.. it's crazy how you could've seen him if you just held on a bit longer... but I know you're watching over him. I'm sure his high energy would've gave you a run for it but I imagine you would've taught him the things you knew that I wish you could've told me. I promise one day I'll come see you and grandma Carolyn. I love you soo much more than I wish I could tell you. Happy New Year🎉❤*
