“ I wish to send my sympathy and condolences to the family at this most difficult time. Sadly, death continues to take our loved ones away from us, and it seems so unfair that this happens to families. This was never a part of God's purpose, and one day he promises to end all sickness and death in the very near future. A great change is soon going to take place on this earth, because Jehovah has said; "Look!, "I am making all things new. The bible speaks of a new earth in which righteousness is to dwell. 2nd Peter 3:13. One day we won't even think about the pain we endured in this life, because Isaiah 65,17 says; "For here I am creating new heaven and a new earth, and the former things will not be called to mind, neither will they come up into the heart." One day the dead will come back to life in a paradise earth, because Isaiah 45:18 says that Jehovah didnt create the earth simply for nothing; but created it to be inhabited." Also Psalm 37:10,11,29 says that the meek ones will inherit the earth, and they will live forever upon it. The earth will not be like it is now, but will be a paradise just like Jehovah intended for it to be. The bible says that the heavens belong to Jehovah, but the earth he has given to the sons of men. psalm 115:16. Even the dead will share in these blessings, because Acts 24:15 says that they will be ressurected to share in these blessings. May the hope of one day seeing Charles again comfort your hearts, and help you to cope with your loss.##imported-begin##Rita Johnson##imported-end##

“ If only there were something that friends could say or do, some way they might express their thoughts and help to comfort you, and yet, perhaps, just knowing that there are those who care, will help at least in some small way to ease the loss you bear.##imported-begin##The March Family and Staff##imported-end##
