“ To the Bowman family-My heart is hurting right now. I didn't know Mr. Bowman, but my heart is heavy. True we are born to die, but he didn't deserve to go like this. I hope and pray he didn't suffer before he left here. I, too, used to work for the Afro, and it was a nice place to work, and the people were also nice. I pray that God brings that garbage to justice that did this. It's true Mr. English, and I can't remember your exact words, but their raft will be worst. God bless you family and the Afro family. May God give all you strength to endure this painful tragedy, now and forever. Love,

“ I would like to convey my condolences for the loss of your loved one. Sickness and death was never part of Jehovah God's original purpose because time indefinite was put into our hearts (Eccl.3:11). John5:28-29 and Acts24:15 assures us that all those who have fallen asleep in death will have the opportunity to live again by means of a resurrection on a paradise earth (Pealm37:11,29) Continue to draw close to God in prayer and he will sustain you during this difficult time (Psalm55:22).###imported-begin##C. “ I would like to extend my deepest sympathy to the family and friends of Charles Edward Bowman. Losing a loved one in death is a painful time. This is a pain that Jehovah God promises will one day no longer exist (Revelation 21:3,4). May you take comfort in knowing that our loving Heavenly Father promises us that soon all those in the memorial tombs will come out to life on a paradise earth by means of a resurrection (John 5:28,29 and Psalms 37:29). As you await the fulfillment of this promise, may you find comfort from "the Father of tender mercies and the God of all comfort who comforts us un all our tribulation" (2 Corinthians 1:3,4).##imported-begin##S.
