“ Uncle Charles you are a man that we love dearly. You leave a space that can never be filled. No last words were spoken not even a goodbye, you were gone before i knew it as of now only god knows why. If heaven had a stairway i would already have been on my way, so i could go and bring you back so i could have atleast one more day. We will keep our memories close inside and they are ours for keeps. My heart still aches from pains and the tears will always flow. Since you are not here to share more memories I promise you today, A special place in our heart is forever where you will stay.##imported-begin##Thomas & Judy Foster##imported-end##

“ With warm regards I share my deepest sympathy to the family of Charles. The passing of time does ease the pain a little, but we never get over it, because we miss our loved ones so much. My heart goes out to you, and I pray that you recieve much comfort from our loving heavenly father who comforts us through all our tribulations. One day there will be no more crying; no more dying, because God will wipe out every tear from our eyes and death will be no more. Rev 21:4. One day our loved ones will come back to life, because they will hear Jesus's voice and come out of the memorial tombs. Please be comforted by Jehovah's wonderful promises, because without fail they will come true. Isiah 55:11###imported-begin###R Johnson###imported-end##
