I sorry to hear of the death 🧟 f Charles. He was a very hard working brother who helped the National Forum for Black Public Administration in the 1990s and helped organized the visit of the Pope in Washington DC.

“ *I am sorry to learn about the death of Charles. I'm sure that this must have been a difficult time for all of you. I'm forwarding scripture that will comfort you. Psalm 90:10 says that the usual human life span is 70 or 80 years. This was true when Moses wrote but not so from the beginning. (compare Genesis 5:3-32.) Hebrew 9:27 says...It is reserved for men to die once for all time. This, too, was true when Moses wrote it but not the case before God passed judgement on sinful Ad,am.##imported-begin##JT Nunnally##imported-end##*

“ Please accept my sincere condolences for your loss. Losing a loved one is truly a devastating thing for any family to have to deal with. Even though death seems to be a natural end to life, in actuality it's unnatural from God's standpoint, because he created man to live forever. Even though people are not living forever at present, Jehovah's purpose has definitely not changed. Under the rulership of his kingdom his purpose will come to pass. This is what is meant in the Lord's prayer; the part that says, "Thy kingdom come, thy will be done on earth just as it is in heaven will mean wonderful blessings for mankind. It will mean everlasting life for those obedient to his commands, and a resurrection to life for the dead. John 17,3 gives us the key to how we can obtain those blessings, and know this that if we put faith in the ransom sacrifice of Jesus Christ we will see our loved ones again. May the cherished memories you have of Charles help you to cope with his loss.##imported-begin##R Johnson##imported-end##
