“ *Years later and I still cant believe they took you away from us..all I can think about is our memories on Job Corp center and our every day phone call we made to each other after we left center. A simple "hello brother and hello sis" sometimes was all we needed, now i regret not spending more time talking to you. I think about you every day C-hop you were one of the realest and I do mean. I miss you big bro..love you!! -Nellz*
