“ *My deepest condolences to the family. Charles Eric Knox and I met in our 20's while involved with Man-2-Man mentoring program at Paul Roberson Academy. He was a very positive brother who I remembered had vision & was committed to young people. I was informed of the sad news recently yet didn't realize that it was Eric until seeing that service was being held at Ebenezer. We both had in common growing up in Ebenezer my link was the late Anne Singleton's Grandson. We also went to Southfield Schools Eric Southfield High School & I Southfield Lathrup & although I didn't meet him until after UofM we both attended around the time. Although time had gone by & I lost touch with Eric I will never forget him for his friendly, positive, and committed energy to young people and our community. God's Blessing to the Family.

“ *Charles Eric Knox was a good man and great friend and a champion. His love for his family and his willingness to make new friends with all people impressed me most. I met him through our love of golf and it was how he met eternity. To his son know that your father loved you and was a tender man with a courageous heart. Imani Afryka*
