

Charles Michael Lessane

July 14, 1955 - June 16, 2011

CHARLES MICHAEL LESSANE, was born on July 14, 1955 to the late Homer D. Lessane and Geraldine Lessane in Elizabethtown, North Carolina. On Thursday, June 16, 2011 Michael suddenly departed this life.

Michael, as he was affectionately known, found Christ at an early age and was baptized at Pleasant Hill Baptist Church in Roberson County, North Carolina in 1962. he moved to Baltimore, Maryland in 1969.

He was educated in the Baltimore City School System and Howard County Public School where upon graduation he entered Lincoln University in Oxford, Pennsylvania. Upon completion of his studies he received his Bachelor of Science Degree in Business Administration. During his college years he was an accomplished athlete where he excelled in track and field, which led Lincoln University to the Penn Relays, where he set the record in the mile relay. Michael also pledged Alpha Phi Alpha, Nu Chapter and was a dedicated member.

Michael was business savvy and excelled in the field of Marketing. At his time of death he was employed by Manheim Auctioneer, a division of Cox Communication of Atlanta, Georgia where he held the title of Ford Fleet Coordinator. Because he was such a go-getter, Michael also worked at Whitman Coins as a Coordinator.

He had a passion for music and enjoyed playing his guitar for hours. At times falling asleep with his guitar. Sports were another favorite of his. He enjoyed playing and watching basketball, football and track and field.

His love for his family can't be put into words. He loved attending family get togethers and outings, visiting and always willing to lend a helping hand without being asked.

He was a Mr.Fix-it (knew he could build/fix anything). He also was the best grilled and landscaper. A regular Energizer Bunny with a lawnmower mowing over anything/ everyone in his way.

Michael leaves to cherish his memory: a loving son, Javon Lessane; mother, Geraldine Lessane; one brother, James Lessane; five aunts, Maxine, Brenda, Sharon, Fordie and Julie; three uncles, Grover Lee, Willie and David; one great- uncle, Clifford Grimes; two nieces, one nephew, one great-nephew, two special cousins, Glenn and Dawn; a host of cousins, other relatives and many, many friends. Also a special and loved friend, Jean.

God has a way of letting His love shine through us to others and Michael was blessed to have the love of an extended (special) family. Ma Burgess, as she was known, and William Burgess (deceased) love and adored Michael as their own son. Along with Mike and Chuck Burgess who loved him as a brother.

Whether it be a smile, a kind spoken word, a silly joke or helping hand, truly he shall be missed.

“ there were so many memories with Michael they were all good, we would just get in his car and drive until we got somewhere. get a hotel room go site seeing like tourist, whether we were in New York or Baltimore or somewhere else. One of my favorite trips was when we went to the Bahamas. We drove up in the hill to a concerts and we would go swimming on the beach late at night. the hotel room was so small it didn't even have a air conditioner on a fan, but we still had a good time. I remember just having a good time hanging out with Michael. He always made you laugh and smile. LUV Ya Michael. Jean

“ *Michael,*
It's been a while since we last talked. However, anytime I think of LU I have to think of you. We shared many special moments there that I will always remember, like the times I would go to your track meets to cheer you on. You were like a gazelle (fast and swift) going around the track only to throw up after the meet. (smile) What about hanging out in Laney, McCrary and Rendall Halls...or the times we would go visit your dad, Aunt Essie and cousin in New York. Those were some fun times. I guess you're finally reunited with them and others now.

Michael you were always so full of life and fun. You may be gone but not forgotten.

Remebering you always,

“ *One of my favorite memories of you Michael is going to the Jacksons Victory tour in the 80's. It's so ironic that you are laid to rest on the same day the King of Pop died. You both left this earth too soon, but I will miss you more. Everything you did was significant and my memories are fond and many. I saw your face on this page and wept. Then, I saw your face on this page again and smiled. You always made me smile and you were always happy and smiling. Love to the 10th power my friend. Always, Always, Love. Penny.*

Robyn & Javan:

Robyn, as you know Mike and I met during our freshman week at LU. I remember vividly when the two of you met. Javan is a product of that extraordinary connection that you felt then. Please accept my condolences for your loss. Javan, your Dad had a very wholesome spirit. He was personable, easy-going, well-liked, and loved by many. My prayers are with both of you.

“ *What is Death?
Death is nothing at all.
I have only slipped away into the next room.
I am I and you are you.
Whatever we were to each other,
that we still are.*

*Call me by my old familiar name.
Speak to me in the easy way
which you always used.
Put no difference in your tone.
Wear no forced air of solemnity or sorrow.*

*Laugh as we always laughed
at the little jokes we enjoyed together.
Play, smile, think of me, pray for me.
Let my name be ever the household word
that it always was.
Let it be spoken without affect,
without the trace of a shadow on it.*

*Life means all that it ever meant.
It is the same that it ever was.
There is absolutely unbroken continuity.
Why should I be out of mind
because I am out of sight?*

*I am waiting for you,
for an interval,
somewhere very near,
just around the corner.*

*All is well.

My Dear Brother Michael, I know you know how we felt about each other and I will leave it at that...Until we meet again My Heart,RIP...:-)

“ *With Love & Laughter*

*Love is a special gift given with thought
Laughter is a feelin' neither sold nor bought
They blend together so well and true
One always complimenting the other, just as good friends do....
One without the other just isn't complete
Like a house that's not a home
Or a chair that's not a seat
We all know that friends come and goin this precious life
And laughter is rare ...among the stress and strife
So to you my friend
Thanks for the two.....
from yours truly*

“ I send my heartfelt condolences to the family of Charles. Losing a loved one is so hard to come to terms with, and I can imagine the pain you are going through. Life in this world is hard enough, but to add to it we have to suffer the loss of our loved ones. Therefore, many people wonder, Is this all that life is all about. To live a few years on this earth and then end up in death. No wonder in the Bible Job said: "man born of woman is short-lived and glutted with agitation. But this is not God's purpose for people. He desires us to be happy and live eternally in peaceful conditions. This is why he sent us his beloved son Jesus to undo the sorrow Adam brought upon all of us. 1st Cor 15:22 promises: For just as in Adam all are dying, so also in the Christ all will be made alive. Verse 26 promises: As the last enemy, death will be brought to nothing. One day soon Daniel 12:2 promises that there will be many of those asleep in the ground of dust who will wake up. Yes, they will hear Jesus's voice and come out of the memorial tombs. John 5:28,29. May you be comforted by God's promise of life everlasting in paradise.
