“ *Dearest Anthony, Sharon, and family:  
We offer you our deepest condolences on the passing of Uncle Charles on this past Resurrection Day. I will remember him and his smile that could radiate from the top of his head, to the twinkle of his eyes, and down to the tip of his chin. Yes, I will fondly remember that smile and the many days spent with you and your family in earlier years. He leaves behind a wonderful family and I know you all will be a great source of support and memories for each other on this journey to a new normal without his earthly presence. We pray God lead and direct you, guard and protect you, and give you His peace in the days ahead until you are blessed to meet again in that Great Day!  
"Jude 2".*

“ My dear Anthony, Sharon and family it is with heartfelt sympathy that we send our condolences to you all as your beloved father has transitioned into eternal peace to be with our Lord and Savior Jesus Christ. Be mindful that in Paul's second epistle to the Corinthians he stated "We are confident, I say, and willing rather to be absent from the body, and to be present with the Lord". We to will miss our Uncle Charles; Billy, Teresa and Marnaysha.
