“ My name is Kresha Garland and I would like to extend my deepest, heartfelt sympathies on behalf of my family and myself. Charles and I were very close throughout high school and I had the pleasure of being escorted by him to our Senior Prom. I know that there are no words of any kind that can mend the pain you are experiencing but please know that there are so many of us who care and share in your loss at this difficult time. May you find strength in the love of God and May peace and comfort find you during this difficult time. Those we love never go away and I know that Charles will continue to walk beside you each and every day. Blessings.....

To my dear cousin Charles, my prayers are with your wife and children, as well as the rest of our family. Part of me is still in the backyard with you shooting hoops. We had some great times together in and out of school. You will be missed, but never forgotten. Love always, Omega and the Wilson family.
