*If we only had five minutes
the day you passed away,
we would have had time to tell
you all the things we needed to say.
We never got to tell you how
much you mean to us,
Or that you were the best dad
we miss, we love, and trust.
The last time that we talked to you,
We wish we would have known.
We would have said "I Love you"
and kept you on the phone.
If only we had five minutes
the night you passed away
We'd give you one last hug so tight,
and see your great big smile.
We'd tell you that we couldn't live without you
not even for a while.
We'd kiss your cheek and take your hand
and tell you it's okay to go.
And tell you how much we'll miss you,
more than you'll ever know.*

*You were gone so quickly,
One last breath you would take.
Before you even knew it,
You were standing at heavens gate.
God has called upon you,
It is time to get your wings,
To leave this life behind you,
And enjoy all of heavens things.
Wait for me in heaven Charles,
Don't let me come alone.
The day the angels come for me,
Please be there to welcome me home.*

“*I'm sorry for the loss of your family and friend, and to give comfort I would like to give you a message from God's word the Bible. We all want to live, and enjoy with those who we love forever. The Bible teaches at John 5:28, 29 that most people who have died will be resurrected by Jesus Christ. Also some will have a heavenly resurrection and reside in heaven with Jehovah and Jesus. But, in harmony with God's original purpose, those resurrected as humans will have the opportunity to live on a paradise earth and have everlasting life as mentioned at Psalm 37:29 that says "the righteous themselves will possess the earth, and they will reside forever upon it." This promise includes perfect health and once again everlasting life. I hope this gives much comfort to family and friends.*
