“ *Cousin Charles had a smile that went along with his sense of humor. He told Incite full stories about Aunts and Uncles that would make us laugh. My parents would often take us to visit our grandmother and we would have time to bond with him and his siblings. On one particular occasion we brought our dog Chipper along for the ride from New York. We went outside to play and left the dog in the house. Low and behold Charles leaves the front door open and the dog runs away. Frantically We all start looking for Chipper combing the streets and calling her name to no avail. When Charles got back home I can't recollect if Aunt Francis gave him a beating for leaving the door open or punishment he would never forget. It was unforgettable for all of us since we had to return without our dog. Well Cousin Charles is resting in peace with the great God of his salvation, as we remember the boy, the teenager and man who was respected and loved by many. Cousin Juanita*

“ To the Family of Charles Sparks. I am so very sorry to hear of Charles Sparks' passing. He was a dear, kind gentleman and friend. I remember attending a Moment of Sharing at Freedom Theatre (late 80's?) with my son Cheyney and stepdaughter, Dara. I saw Charles there and he helped me prank Dara by showing her her name on the program, and telling her that she was one of the guests in the audience who would be called up on stage for a surprise performance. She panicked and we laughed! The young lady on the program was really Charles' daughter, Dara. They coincidentally had the same name. I also remember in 1990, Charles joined the caravan of people/cars that travelled from Philly to help me move myself and my furniture to Harlem, NY . He was such a kind and generous soul. RIP dear Charles. My prayers and condolences are with his family. Millicent Sparks
