“ *I didn't personally know Charles, but I would like to extend my deepest sympathy to your family at this most difficult time. Death is so hard to come to terms with, because it was never God's original purpose for us to die. The Bible says that time indefinite he has put into our hearts, and that is why we are so heartbroken when we lose a loved one, because death is so unnatural. Ecc 3:11. One day soon instead of obituary columns in the newspaper, we will see notices of resurrections taking place, because this is God's true purpose for people; that is to live forever. This is why he sent us his precious Son, Jesus, so that we might have life and have it in abundance. John 10:10. May your precious memories of Charles help you to endure until the wonderful day when he opens his eyes once again.*
