“ Our deepest sympathy to the family. God lovingly promises to bring the last enemy, death, to nothing at 1 Cor. 15:26 and to swallow up death forever at Isa. 25:8. We hope these promises will sustain you at this time.

“ I have many fond early childhood memories of Cheryl. Always smiling and eager to laugh. I had not seen her in many many years. I hope her life was as happy and bright as the smile that she possessed and so willingly shared with so many.

“ When Zina, Teka and I were younger, just like everyone we spent the night at Cheryl and Jerry's house. We played with Tae and Jerry jr, basically had a ball. We fell asleep on pillows and blankets on the floor, lots of puffy pillows... Now, this was during the summer and anyone who knows me, knows I have notorious nose bleeds.. With that being said, the next morning, Cheryl had shaken me awake which scare the crap out of me. Apparently overnight, I had one of my nose bleeds and if a person didn't know better, one would think I had been bashed in the face because of so much blood. She clutch her chest and declared.. "I couldn't explain how you got hurt over night Ma." I ruined her big fluffy pillows and her beautiful blankets. But Cherly made sure I was okay, clean and it was okay. I have many memories of her caring beautiful spirit. She would bring strawberry pies from Shoney's. Cheryl would make stuffed bell peppers for everyone when she visited. Although time and space got in between us, the love I have for her has never wavered.

“ *This is from Ma Fleming. So dearly loved and always had something good cooked for me and even when she was not feeling too good she would walk around this corner and bring it to though I insisted she not walk. She was so very loving and I hope to see you in the new system of things.*

“ *I will never forget all of the times we shared together. Especially when I wasn't feeling too good to go to school. You used to fix me a hot totty to make me feel better and hide me in your closet when dad use to come home on his lunch break. You never changed how you were and we enjoyed every minute of it. “ From the time I met Cheryl We hit it off, She was one of the sweetest most loving and giving people I svsr met. If she was your friend there was nothing she would not do for you. I didn't get a chance to see her before she left us but I did talk to her. I let her know How much I loved Her and what a good friend she had been. I loved her and I"all miss so much she was there for me when no one else was. IF Love Could Have Kept Her Here She Never Would Have Died" My prayers go out to Lil Jerry and Tay And All Of The Fleming Family Especially To Mom and Diane. Love Alease Ward
