“ I send many prayful thoughts and words of comfort to the family at this time. Losing a loved one in death is something so hard to come to terms with. I know, because I've been there many times. My heart goes out to you in your sorrow, but know that there is a rainbow just over the horizon. God has a wonderful purpose to end all sickness and death in the very near future. We are in the last days, according to 2nd Timothy 3:1-5, and when this evil, violent, and tragic systym of things is gone, Jehovah God will usher in a time of worldwide peace and security that all who love him can share in. He made this possible through the precious blood of his beloved Son, Christ Jesus, and through Jesus, all who are in the memorial tombs will hear his voice and come up out of those tombs. John 5:28,29. May you be comforted by the wonderful promise of the ressurection. Acts 24:15###imported-begin###Rita Johnson###imported-end##
