“ I made my close connection with Mrs. Brailey during my one and only foray for elected office! It was 1982. Norman asked me to run on the Brailey Team featuring his Dad as senate candidate for Maryland's 40th legislative district. I ran for the state central committee, which is how I learned of the position. Mrs. Brailey was warm, caring, and unassuming. I seem to recall she collected drinking glasses among other treasures. We worked hard and Mr. Brailey won. My current direction is too equalize our preordinate Afrikan heritage with the European heritage established at our expense! But I still have a warm heart and fond memories of Mrs. Brailey as she transcends from mortal to immortal!
Awaiting my turn...Voodoo Lady
