“ *Jamil and Toya: The words I write don't convey the heaviness of my
heart. I cannot imagine what you are going through. Please know
that you have my love and support and my prayers. Our God is too
perfect to make a mistake and too just to err. We have to stand on
our faith during this most difficult time. I wish I could be with you
today, but please know that I am there in spirit. I love you both.*
