“ *I don't know where to begin. You and Tuwanna are truly the best God parents Rishad and Ricky could have asked for. Chris embraced my boys as a second father. I am truly grateful to him for that. He always set a good example for a positive role model for them. Chris and Tuwanda love my boys as if they were their own. Chris you will truly be miss. I will always make sure Rishad and Ricky have memories of you. You truly were a gentle soul. I am glad I had the pleasure of being in your company and having you as my kids Godfather. May God continue to bless Tuwanda and the boys.*

“ Chris you are one of the first people that I met and worked with when I first started at the Post Office and also the last I saw when I retired literally. So glad that happened and you are the kindest person. Wishing me a wonderful retirement and telling me that you were so happy for me. You and Tuwanda both. Thankful that I got to see you both my last day. You are a blessing to everyone that got to spend time with you. You will always be remembered for your kind and generous soul. You are in a better place now. Rest your soul and keep looking down on us and helping us through our struggles as you always did. So very humble. You will definitely be taken care of now. Prayers going out to your family and friends.

“ My sincerest and deepest condolences to the Crenshaw Family.. Chris, my Brother, you will be truly missed. All of the times when I was down and felt like I didn't know what to do, you had my back. Just the conversations from one man to another was enough..Whenever we would speak to each other you would ALWAYS say “Life is Good”.. Just this statement alone would inspire me to keep my head up.. to keep pushing. Most people don't realize that saying or doing the smallest things for someone without expecting something in return can make the biggest impact. That's what you did for me.. You were just there..Thank You Bro for just being you.. God Bless you Tuwanda and Kids.. May He provide you all with His Perfect Peace..

“ Tuwanda and family , you have my sincerest condolences. I am going to miss Chris calling me "Pikachu" I dont even know where he got that name from, but he always greeted me that way. He always had a bag of comic books. Little did he know I bought one for my nephew trying to get him to read and now he read books and comics all the time. Chris was the kindest person you could ever meet. He will be dearly missed.

“ Chris aka “Mister” or “Hey Neighbor” was our neighbor. Over the last couple of months we noticed that he was working out so I asked him if I could join him and he said “Come on” with a smile. My husband said he saw Chris a couple of weeks ago and asked him how he was doing and he said “Life was good” and kept smiling and walking. Now in hindsight I truly believe that Chris was preparing himself for something that was actually somewhere 🙏 normally when we walk/exercise we use that time to talk to God. I want to believe that that’s what “Mister” was doing. I pray that TuWanda and her sons find peace in knowing that He’s now in a better place and that he loved them so much that God promised him during those walks that He would never leave or forsake them. Allow the memories with Chris to always comfort you, bring a smile to your face and/or bring peace to your heart ❤️ TuWanda we are here for you. You have fulfilled your purpose in Chris life. How do I know... because the last time I talked to Chris he was smiling and the last words he said to Melvin was “Life is Good” Thanks for being the Good in Chris life during the short time that God loaned him to you ❤️🙏❤️

*To Tuwanda and Family,
I am so sorry for your loss. Chris was a one of a kind person. He was always cracking jokes to brighten my spirits or saying kind words of encouragement when my mother passed in 2021. He was a true friend and a kind man. When you look up the definition for the word man, and it will say Christopher L. Crenshaw. He may be absent in body but he's present in Spirit. Chris will be greatly missed. Praying for the family. A friend always.*
