

## Christopher G. Gates

January 16, 1972 - January 31, 2002

Christopher Gregory Gates was born on January 16, 1972 to the late Herman Gates, Jr., and Paulette Gates in Baltimore, Maryland. On January 31, 2002, the Lord called Chris for an eternal rest. His recognition that he was being kept by God's grace directed him to accept Christ as his personal savior. On January 31, 2002 the Lord called Chris for an eternal rest. Chris attended Baltimore City Public Schools. He worked at the Martin Gillette Company until his health no longer enabled him to continue. He was a kindhearted person and he loved to have fun. His friends knew him as "Disco" or "Slick." Chris was the type of person who always wanted to look nice. You would never see him with a stain on his clothes and definitely not a wrinkle. Chris also enjoyed eating good food and playing a video game or two. Chris was loved dearly by his family. He had a close relationship with his sister, Lauren. He would tell you in a minute, "Don't mess with my sister!" At times, he acted as her father, a caring and protective brother, and even a best friend. Chris and Lauren sealed this love forever with the exchange of their names by way of tattoos, which they both showed off proudly. Chris leaves a host of family and friends to celebrate his life. They include his devoted mother, Paulette; sister, Lauren; two grandmothers, Elsie Gary and Shirley Gates; one grandfather, Herman Gates, Sr.; great-grandmother, Estelle Jennings; four aunts, Deborah Boyd, Myra White, Melisa Wright and Claretta Elliott; two uncles, Donald Wright, Sr. and Brian Boyd; a special friend, Tawanda Richardson and her children, Brandon, Cierra and Chanel; godmother, Gail Malone; godchildren, Johnny

Lee Fleming III and Jaminey Broaddus; a devoted friend, Kermy Alexander; a host of other relatives and friends.

“ I am leaving you all this message. I would love to be there and see Chris one last time, but I guess that it wasn't meant for me to be down there to pay my last respects to Chris. I hope that he knows I will personally take on the big brother role for Lauren. I will be there for her and whatever she needs from me I will make it happen. You all just have to stay strong for Chris, say strong for me. I love you all and Chris knows that I will always love him.###imported-begin##Dwayne White###imported-end##

“ We know that someday we all must go the path that Chris had to go. Look forward to eternal happiness and not sadness. Don't put your hope in things that change- relationships, money, and even health. Set your sights on things that can never change, trust in God. Sometimes people question God- Is pain my punishment? Pain is simple a fact of our existence. Years from now, though, we may realize that it was those struggles that taught us something we could not have otherwise learned. God's purpose is greater than our pain. Ask God to teach us to set our hopes on heaven, to hold firmly to the promise of eternal life. Chris is resting now, let us rest in the fact we will see him some day. Lauren always remember that I am there for you, but if you can't find me, Jesus is always available for you. I love you, hold your head up, and smile. Your Brother and Uncle.##imported-begin##Donald Sr.##imported-end##

“ Brother, I am doing my best to cope with the fact that I must go on and live the rest of my life without you. It is hard, but it comforts me when I feel your presence around me. Even though I knew that this day would come someday, there was no way that I could prepare myself for it. It hurts me the most when I think of the last time we saw each other. We were at home and I didn't know that it would be the last time I would see you. I didn't take advantage of it, and I regret that. However, I know that you knew that I loved you very much and I know you loved me. I will continue to show off my tattoo proudly. I miss you terribly and I want you to know that I'm on my way to meet you soon.##imported-begin##Lauren##imported-end##
