Christy was a smart lady who had a unique style and flare. Thank you to the family that allowed her the time for her service and dedication during our working relationship at the former DLLR. May the God of hope and comfort strengthen you and give you peace as you trust in Him.

As I read these comments, may GOD rest her soul because those descriptions are not the Christy I met and dealt with day in and day out.

“ *May Christy Rest in Peace. She is missed and will continue to be. I know she touched so many during her short time here. I am one! I loved her spirit. Her high energy. Her laugh! I admired her commitment to everything on her plate and in doing so be the best she could be. So much more about Christy. A beautiful, strong, caring woman.*

I met Christy several years ago during a meeting at DLLR and we stayed in touch as she moved to MSDE. Many of our conversations were work related as I work for a company that supported Christy but we also had many personal conversations sharing life stories. I heard her struggles in the early years and watched her shine in her Adult life.

She shared stories about her family with me and it was clear she loved her family very much.

I am sure I have photos' from our events from the years past I am happy to share with family. Please let me know where I can send them.

I did not hear about the service until January but did listen this week and bought the drive.

Beautiful service. I can imagine Christy Smiling big! so much love in the Church. Love Hearing Christy's daughter's talk and share her stories was beautiful. I see her in them. That is beautiful.

Thinking of Christy's family during this time and continued Prayers for healing and comfort.
