“ My condolences to your family. Death is a hard thing to deal with but I hope these three says that has helped me can help you. Death leaves a heartache no one can heal, but love leaves a memory no one can steal. I pray God will help each and everyone to find a way to keep the sweet memories alive, to heal their broken hearts and keep them open to face another day because life will move on and the sun will shine again. Perhaps they are not stars in the sky, but rather openings where our loved ones shine down to let us know they are happy. My prayer go out to Darlene and your family.
