“ I just saw your story and baby you deserve so much better. The cowards that stole you from your mother and family and this world has nothing but karma to come. I pray justice comes soon in time. Your story caught my attention when I heard you went missing the day I was giving birth. This drew me looking you up and wanting to learn about what a great young man you were. Your an angel now and I pray you cover your mother with your guardian wings and let her know your here with her and holding her close on them darkest days. We love you out here you should have never been forever 17. Rest in paradise
Cion J Carroll.
