“ My deepest sympathy during your time of sorrow but know that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son have been given the authority to bring all those in the memorial tombs back to life. John 5:28-29 Just think there will come a time not only will death be no more but Jehovah promises that no one will have to say I'm sick according to Isaiah 33:24. I feel the need to express these words of hope because so many of us today treasure the gift of life and we do all we can to maintain it to hold on to it. That is why it hurts so badly when our loved ones die. With so many of us desiring life today no matter how good or bad it is we still want life here on earth. No one looks forward to that time of death. That is why I am under obligation by the spirit and love of God to share that hope that is in our near future that the righteous shall inherit the earth and reside upon it forever according to Psalms 37: 29 along with the above stated promises on a paradise and peaceful earth. We all can hold true to this everlasting promise because Isaiah 55:11 states all the words Jehovah have spoken WILL NOT RETURN WITHOUT RESULTS. What a wonderful prospect for our future especially enlight of the fact that Hebrews 6:18 States of God, it is IMPOSSIBLE for him to lie.##imported-begin##Carter##imported-end##

“ I am sorry to learn of your loss. I send my sincere sympathy to the family and friends. The Bible is comforting in this regard. It promises a "resurrection"-Acts 24: 15. I pray that you rely on God's many promises recorded in the Bible for strength to cope with your loss.##imported-begin##Denise King##imported-end##

“ I remember when Uncle Pie lived with me. He had this puzzle and it was like 300 pieces. I went to school and I came back and Uncle Pie was trying to figure out the way to put them together. He was always nice no matter how annoying I was and he listened no matter how dumb I sounded. He cared. He wanted for me and my brother to succeed. And that's what made him my Uncle Pie.##imported-begin##Jessica Wiggins##imported-end##
