“ Death is a harsh and devastating interruption to life a precious gift of God. Yet in most of our lives today we see death as our final eventuality accepted by many. However our heavenly father Jehovah God, the giver of life promises that one day in our near future death will be no more. As Revelations 21:3-4 states “God will wipe every tear from our eyes and death will be no more, neither will mourning nor out cry nor pain be anymore.” How truly happy we all will be not to ever be threaten by death because it is Jehovah God’s promise to us according to Psalms 37:29 for the righteous ones to live forever on earth. Another hopeful awaiting thought in our future is all those who have lost their lives to death or the lost of our love ones, Jehovah God says according to John 5:28,29 all those in the memorial tombs will hear Jesus voice and come out. Yes these ones will live again! We all can hold fast to this because Titus 1:2 states: upon the basis of hope of everlasting life, which God, who cannot lie promised before times long lasting. Such a comforting thought to know our having life forever was always Jehovah God’s promised purpose for us. My deepest sympathy to the family.##imported-begin##Carter##imported-end##
