“ *My Papa was the best !He he taught me how to take care of myself. He has taught me so much about life. We stayed out together going out to dinner going on dates and just being in his space was amazing. I didn't need a boyfriend I had my papa, and when I had a boyfriend and I left my boyfriend I still had my papa, my papa knew everything that was going on in my life ,I'm still on his refrigerator as a little girl .He showed me that it didn't matter what odds were against you that you keep fighting. I'm so sad that my best friend is gone but I love you so much Papa the most amazing man. I will never forget. I will always love you for eternity and beyond* ❤️
