“ *Please accept my sympathy for your loss. One day the bible promises, sickness, old-age, and death will all be gone from this earth. It may sound like a dream for some, because this is what we\\'re used to, but it was never God\\'s purpose for people to die, that only came about because of the disobedience of Adam and Eve. He placed them in a Garden paradise, the Garden of Eden where they could have lived in forever in peace and security. Yet even though they rebelled against God, it is still his purpose for his earthly family to live in paradise conditions. Please read 2nd Peter 3,13, Isaiah 45,18, and Rev 21,3-5 concerning his purpose. One day all those who have died will hear the voice of the son of God, and will come back to life. May the thought of one day being reunited with your loved one bring comfort to your heart, and may your cherished memories help you to cope with her loss.##imported-begin##R Johnson##imported-end##*
