“ Dear Aunt Darcel and Cousins, I want you to know that my prayers are with you as we all reflect and remember Uncle Clinton. He was truly a blessing in my life as I had the pleasure of spending quality time with him when I was a child in NJ. He always encouraged me - in some way - to strive for the very best I can be. Today, I am in California and I am not able to be there, but know I am with you in spirit and praying for your strength as God, through His son Jesus Christ, takes you through this celebration of life. We loved Uncle Clinton, but God loved him most. No man knows the time nor the place, but one thing is for sure is that we will all be in that heavenly place someday, praising and glorifying His name. May God continue to carry you as you move forward and may heaven smile upon you. I love you all! Your loving niece and family, Anita Battle Williams

“ Dear Mrs. Battle: On behalf of my family, I wish to extend our most profound sympathy to both you and your entire family. I had the pleasure to work with Clint but more importantly know him and be able to call him a dear friend. Clint was a real gentleman and a very caring individual. He often displayed his concern and friendship throughout our days with LaRoche Industries, but none more so than when I was injured. His concern and interest in my recovery was indicative of his character and true friendship. I will always remember his great big smile and especially the good times we spent together. Please accept my deepest sympathy and condolences. I will truly miss this man whom I regard as my friend. May God Bless you and the entire Battle family.##imported-begin##Rory Koons##imported-end##
