“ *I would like to express my condolences to the family on the loss of your loved one. May the God of Peace, Jehovah, help to ease your grief and always be beside you as you continue on through life. Hoping it helps to know that others care and share your loss. (John 5:28-29) Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life, those who practiced vile things to a resurrection of judgment.*
