“ *Connie may no longer be here in body but I will always have fond memories of her. She was one of the kindest women that I knew and even though we didn't see each other often we sometimes connected through social media. My condolences to my Niece Ta Wanda and the entire family. She will forever be missed!*

“Wow this is unbelievable I use to work with Connie at the part time cleaning company. I just spoke to her not that long ago to let her know one of our cleaning buddies had passed. We talked a while catching up on different things. She told me she had been sick but she was doing much better she had been doing some traveling. We both were Cowboys fans. Gonna miss my girl we did up some laughing when we were at work. My condolences goes out to her family praying God will give you the strength to make it through this. Rest easy my friend.
