“ *My name is Anthony Parker and she is my Guard Mother who I love very much. I am so sorry and heart broken that she passed and I can't be there. I just want everyone to know that I would not be where I am today if not for her and my mother, a team that always encouraged me to be all that I could be in bad times and good. She supported me when I needed it the most. I am thankful I got to spend time with her when I was last home. God has blessed her and taken her home with him and I will always miss and love her. Her Son, Anthony.*
