“ The lost of a loved one has an overwhelming impact on all and especially the immediate family. The pain and suffering alone is very hard to bear and no one should ever have to experience such a dark and sad time in life. However it seems to be no escape no matter the cause. I extend my deepest sympathy and thoughts of encouragement from the one who can remove such pain and grieving sorrow from the human family, that one is the Almighty Jehovah God. Jehovah is saddened over how life has turned due to the course of actions of our first parents Adam and Eve. However, because Jehovah is a loving God he has promised the offspring's of Adam and Eve a way out. In the near future He said death will be no more and the things that causes death will be no more according to Rev 21:3-4. This promise of life has always been Jehovah God's purpose for mankind according to Titus 1:2. This is a promise he can't lie about. Hebrews 6: 18 states of Jehovah God, it is impossible for him to lie. That is an encouraging hope. Also for those who suffer with all sorts of illness Isaiah 33:24 says it will come a time no one on the earth will say they are sick and the lame will walk Isaiah 35:6, the blind will see, Isaiah 35:5 and the greatest promise of them all will be when Jesus Christ will call all those in the memorial tombs to come out. Yes our loved ones will be blessed with a resurrection to life right here on earth. John 5:28-29 Yes Jehovah will resurrect those back to life to enjoy everlasting life with all their families and friends Ps 37: 10 states the meek will inherit the earth and reside upon it forever according to Ps 37:29. It's truly understandable since our heavenly father created the earth for man to live according to Isaiah 45:18. We can truly trust in God's written word because nothing he says will not return without results Isaiah 55:11. So we can dry our eyes due to the tears of sadness but tears of joy will flow when we can once again enjoy the lives of our loved ones temporarily lost to death.##imported-begin##B

“ Please accept my sincere condolences for your loss. I too have lost loved ones in death. Even though we know that death is inevitable, it is still difficult to accept. Death was not something that God intended for us. The thought of death is always distasteful and it always will be because Jehovah God has created within us the keen desire to live forever. We never get used to it. We feel deep down in our hearts that this should not happen because, “Even time indefinite he (God) has put in their heart,” says Ecclesiastes 3:11. One of the wonderful parts of his plan is the hope of the resurrection of dead loved ones. (John 5:25, 28, 29). Please be assured that Jehovah God loves us and wants the best for us. Take comfort in the promise that he has given us at Rev. 21: 3-5 of a new earth where there will be no more death###imported-begin##Senita Swann###imported-end##
