“ *Neal was a wonderful person. Every time I saw him, he always asked me about my daddy, "how is Peewee doing", and my daddy always asked me about Neal. Neal will truly be missed. He was the same every time you saw him. Such a wonderful person, my prayers go out to the family.*

“ Cornelius (Squirrel) Whitehead
Remembering the good old days coming up as cousins, where every relatives home was the same as your home, every adult in that home was the same as Mom and Dad in your own home; and all were treated as such. Remembering the nick names we gave on another for what ever reason.

“ To the Whitehead Family, deepest sympathy in the loss of your loved one. I will miss seeing him on the road several times a day as well as talking to him. Whenever we ran into each other & I was by myself he would always ask where was my mother & he would do the same when he saw her, he would ask where was her side kick, laughing & joking the whole time. His cheery & friendly disposition will be missed.

Sincerely,
Marilyn Canaday

“ *To the family of "Daddy Neal" as I have always known him. I send my heartfelt condolences. Daddy Neal will be truly missed. From passing him on the highway and waving, to when I would see him at the store and he would always have a hug and a smile for me. He was a very kind man. Keep your memories of Daddy Neal forever in your hearts and remember that "Weeping may endure for a night, but Joy will come in the morning.*

May God continue to be with each of you,
