“ *I send condolences to the entire family. Please, also take comfort in the hope at Acts 24:15. It tells us that we can have a hope towards God that there will be a resurrection of our loved ones who have passed. I hope that you can find comfort in this promise.##imported-begin##Kendra A.##imported-end##*

“ *Death is an unwelcome situation in all our lives today. Yet we seem not to be able to escape the effects of death at one time or the other. Death is often thrust upon us due to natural causes, illness or some unforeseen occurrence, not to mention the after effects of some thoughtless and often in today’s world the cruel course of action of some uncaring person. Whatever the case is death was never a part of Jehovah God’s plan for mankind. Jehovah God’s word the bible help many to revitalize their hope in a much happier and peaceful future for our love ones who have lost their lives in death. Yes thanks to Jehovah God the resurrection is our hope for the near future. According to John 5:28, 29 the memorial tombs will open and those sleeping in death will awaken. While we may be separated from our love ones now, it is a temporary condition. Rev 21: 3, 4 states death will be no more... and that is a promise. Jehovah promised everlasting life from the beginning of mankind’s creation stated at Titus 1: 2 and according to Isaiah 55: 11 it is said of Jehovah the words that goes forth from his mouth will prove to be. It will not return without results... Hopefully these words can prove to be of comfort because our hope can only become a reality by means of Jehovah God and his son Christ Jesus. Remember, Hebrews 6:18 states it is IMPOSSIBLE for God to lie. May the comfort of God be with you.##imported-begin##B Carter##imported-end##*

“ So sorry to read of the passing of your dear one. Unfortunately death touches all of our lives sooner or later. It's something we can never come to grips with, because we want our loved ones here with us always, and that's just what God wants as well. That is why he gave us his precious son Jesus as a ransom to pay the price for us to have an opportunity for eternal life. Very soon this earth will be a beautiful paradise just like it was in the beginning, and no one will ever have to experience the pain of losing a loved one again. Jesus said at John, 5:28,29 "do not marvel at this for the hour is coming when all those in the memorial tombs will hear his voice and come out" So all in Jehovah's memory will be brought back to life, never to die again. May his promises bring you the comfort you need at this time.##imported-begin##R Johnaon##imported-end##

“ Hello Harris Family ! May you all have peace in knowing that others cares. Losing a dear love one is difficult to bear. Our strength comes from our heavenly father. The bible can help at this time. The God of all comfort promises that death our enemy will be done away with. 1Cor 15:26. The greatest news ever told. There is an encouraging thought in the bible at Isa.66:13. Sickness will be a thing of the past gone forever, Isa.33:24. I hope these few thoughts have been uplifting. My sincere condolences. Lillian Crosby.##imported-begin##lillian crosby##imported-end##
