The bible help us get through difficult times like these. May the loving care of our creator ,1 Peter 5:7 and others help to heal the mind and body.I hope these words are encouraging to read.##imported-begin##Lillian Crosby##imported-end##*

“ *Please accept my sincere condolences to Mr. Hunter's family and friends. During this difficult time though, you can find comfort in what the Bible promises regarding the Christian hope of the resurrection. Jesus promises at John 5:28,29a: "Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out..." Even though this is a sad time, the wonderful promise that Jehovah holds out to us by means of Jesus' shed blood can give us the strength we need to carry on until the wonderful time when we can see our loved ones again.##imported-begin##A. “ I remember wondering and wished I'd see Craig without his pants sagging off his ass. This being the only way that would happen, I'd gladly rather see him his way then this way. I will miss him.
