

Crystal R. Kidd

February 28, 1969 - January 13, 2020

Crystal Renee Kidd was born on February 28, 1969. Daughter of the late Elisha and Alice Kidd, she departed this life on January 13, 2020.

After the completion of high school, Crystal got her first job as a civil servant with the U.S. Department of Commerce. Deciding that working for the government would be a better choice than any private organization could offer.

On June 9, 1993, two weeks after the arrival of her favorite son, Crystal began her career as a correctional officer. While employed at the Metropolitan Transition Center she evolved into a dedicated employee, mentor and friend, concluding at the rank of captain.

Crystal leaves behind one loving son, Kevin T. Day, Jr. (be a nice man); one brother, Dexual Kidd; two nieces, Ebony and Tia; two nephews, Atremus (Bam) and Darrell; and a host of relatives and friends.

Following the death of her parents and not having any siblings her age, her cousins became her sisters and brothers. "She loved her cousing ... every one of them (smile);" Keisha... I Love U and I am so proud of you.

She leaves us with the task of looking after Kevin; for it takes a village to raise a child, and I am confident that you all will do a good job.

“ I would like to extend my deepest sympathy to Chief Kidd's family. She has touched so many by being a supportive mother, sister, aunt, friend and co-worker as well as a great mentor. This was truly a hard hit on me and I am sure on others. Chief Kidd had a heart of gold and she was a piece of work all in one. She has taught me so many things and the main lesson was never give up. I will continue to keep pushing while holding on to my fond memories of her. Miss you,
Love you
