“ To the Family It's not a time I saw Crystal, and she didn't greet me with hug. The sweetest young lady you could ever met that always was the same no matter what. She will definitely be missed many. You don't get over it; you just get through it. You don't get by it because you can't get around it. It doesn't get better; it just gets different. Everyday....Grief put on a new face.... Death leaves a heartache no one can heal, Love leaves a memory no one can steal.
