

Cynthia Lucille Rice

October 23, 1948 - September 8, 2004

Cynthia Lucille Rice, affectionately known as “Cindy,” daughter of the late William and Agnes Rice was born on October 23, 1948 in Baltimore, Maryland. She departed this life after a short illness on September 8, 2004. Cindy’s only child, Ronald J. Clark, preceded his mother in death in 1993. Cindy gave her life to Christ many years ago. She joined and was a devoted member of Calvary Baptist Church. She enjoyed all aspects of worship especially the music ministry. Until her work schedule and then her failing health prevented it, Cindy gave her heart and soul to the Bridge of Grace Substance Abuse Ministry. She received her early education in Baltimore City Public Schools. However, Cindy’s crowning achievements were receiving her Bachelor of Science degree in May 2000 followed by the Master of Science in May 2003. Throughout her life, she was very much the people person and worked at various jobs including: the SAFT Company, The Hecht Company and Maryland General Hospital. Cindy was employed as a substance abuse counselor at Johns Hopkins Hospital when she passed away. Cindy had numerous friends wherever she went. She loved cooking and spending time with her family and always put others before herself. She leaves to cherish her memory: four brothers, William, Jr., Edward “Fuzzy,” Sr., Timothy, Sr., and David, Sr.; three sister-in-laws, Lilly, Joanne and Cookie; a host of nieces and nephews and two special cousins, Marie Harris and Valerie Gunn.

“ My deepest sympathy during your time of sorrow but know that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son Jesus Christ have been given the authority to bring all those in the memorial tombs back to life. John 5:28-29 Just think there will come a time not only will death be no more but Jehovah promises that no one will have to say I'm sick according to Isaiah 33:24. I feel the need to express these words of hope because so many of us today treasure the gift of life and we do all we can to maintain it to hold on to it. That is why it hurts so badly when our loved ones die. With so many of us desiring life today no matter how good or bad it is we still want life here on earth. No one looks forward to that time of death. That is why I am under obligation by the spirit and love of God to share that hope that is in our near future that the righteous shall inherit the earth and reside upon it forever according to Psalms 37: 29 along with the above stated promises on a paradise and peaceful earth. We all can hold true to this everlasting promise because Isaiah states all the words Jehovah have spoken WILL NOT RETURN WITHOUT RESULTS. What a wonderful prospect for our future especially enlight of the fact that Hebrews 6:18 States of God, it is IMPOSSIBLE for him to lie.##imported-begin##Carter##imported-end##

“ Dear Family, Please accept my condolences on the loss of Cynthia. Death is something we never get used to. Almighty God promises to do away the "enemy death" -1 Corinthians 15:26. Even more than that, there is the hope of a reunion with our dead loved ones. Notice Daniel 12:2- "And there will be many of those asleep in the ground of dust who will wake up, these to indefinitely lasting life". May these words add to your strength in the days ahead.##imported-begin##Sharon Hill##imported-end##
