

## Dache' Eboni Taylor Green

August 4, 2001 - January 22, 2002

Dache' Eboni Taylor Green, daughter of Tamika A. Hammond and David E. Green Jr., was born on August 4, 2001 in Baltimore, Maryland. She departed this life on January 22, 2002. Dache' was a perfect and innocent loving child. She had an affect on every person who came in contact with her. They fell in love with her bright beautiful eyes, loving smile and fat cheeks. Although she was here for such a short time, the love that she brought to our lives has changed us forever. She leaves to mourn: her mother, Tamika A. Hammond; her father, David E. Green Jr.; two brothers, Sean S. Thompson and David E. Green III; two grandmothers, Sharon Green and Lolar Pryor-Lawrence; two grandfathers, David Green, Sr.; and Tyrone Lawrence; one late grandfather, Clarence D. Hammond; three great grandmothers, Occilee Asbell, Elizabeth Greene and Juanita Scott; one great grandfather, Alphonso Greene; three aunts, Tia Jackson, Michele Pryor, Janene Kahn; three uncles, Dwayne Green, Roger Pryor Jr., and Lenear Pryor; one godmother, Alesha Bracey, six godfathers, Lance Spriggs, Keon Highsmith, Andre Hampton, Andre Deshazo, Mark Brown and Damein Blackwell; and a host of relatives and friends.

Mommy and Daddy's Little Girl  
Before you came into this world  
You were Mommy and Daddy's little girl  
The day you arrived on this earth  
Only God knew your exact true worth  
You were as pretty and innocent as could be  
You left your parents wondering, Lord, why not just take me  
Everyday Lil David and Lil Sean ask where you are  
And everyday we tell them that you are gone,  
But just not far.  
Right now your big brothers really don't understand  
So

time and time we tell them that you are with Jesus  
In a place called Happyland,  
Along with Jesus we know that's where you stand  
But time and time again we wish God  
Would have left you in our hands  
But deep down inside We know it was part of his plan.  
Your pretty smile and your perky eyes  
Is just a part of you that will forever  
Remain in our lives  
Both Nana and Pop Pop  
Love and miss you too,  
But with prayer and their strong faith  
They will see their way through  
Everyone that knew you will all feel the same,  
Because we all will have a void, baby girl  
That none of us can explain.  
You blessed us all including the world  
Not just Mom and Dad  
You were everyone's little girl.  
Love You Forever  
and will see you soon,  
Mom and Dad

“ My prayers are with the family. I can't imagine how you feel right now. I was at my grandmother's funeral yesterday and happen to walk pass her, I couldn't help but to see her. Everytime I closed my eyes when I got I could just see her precious little face. Again my prayers are with you and try to be strong.##imported-begin##tiffany rosenburgh##imported-end##

“ Healing happens slowly over weeks and months and years and even then, there will be days when memories call fresh tears. A song, a scent, or photograph keeps your heart in touch; with all that you so treasured in the one you miss so much.##imported-begin##The March Family and Staff##imported-end##
