“ You don't know me but as one of Jehovah's Witnesses I would like to offer my condolences to your family. Death is such a terrible thing for a family to go through, I actually lost my mom about 2yrs ago. I'm truly grateful that I have the truth about death and look forward to the future when there will be a resurrection of both the righteous and the unrighteous.”—ACTS 24:15. I'm sure you would love to see your dead loved one again! Any Jehovah's Witnesses that you meet would love to show you in the Bible the truth about death! Again so sorry for your loss!!

“ I would like to send my condolences to the family on the loss of your loved one in death. May the heartfelt thoughts and the loving memories bring you comfort and peace during these sorrowful times.

John 11:25: Jesus says, "I am the resurrection and the life. He that exercises faith in me, even though he dies, will come to life.

According to this verse, we have a chance to see our loved ones again. How?
