

## Dale T. Cully

June 21, 1960 - January 27, 2014

Dale Tyrone Cully son of the late Norman T. Cully and Phyllis Y. Brown /Cully was born on June 21, 1960. He departed this life unexpectedly on January 27, 2014 in the comfort of his home.

Dale grew up in the quaint suburbs of Annapolis, Maryland where he enjoyed the finer things in life.

With good look and charming demeanor, he had no problem making friends, networking and creating opportunities that would help pave the way to his life of adventure.

After graduating from Annapolis High School, Dale served in the United States where he proudly devoted his time to defending our country. On July 29, 1980 , while stationed in Germany, he was honored to receive a starring role as “Dad” when his daughter Donice was born. After serving in the military, he obtained his Associates degree in Paralegal Studies at Ashworth College and worked in the legal field for several years. While we knew Dale was a passionate humanitarian, his commitment to helping others became publicly noticeable in 1994 when he adopted twin brothers Shyheim and Michael Gordon, and raised them as his own sons.

Throughout his career he had the opportunity to travel the world; Germany, France, London, Italy and Amsterdam. During the last year of Dale's life, he

met and bonded with his first granddaughter Athena Lynn who was born on June 24, 2013. Sadly Dale passed away just four days before the birth of his second grandchild , Michael Gordon Jr.

Dale is survived by his loving family; daughter Donice Stimeale Cully, Carlos Cully, Curtis Thompson, Kevin Thompson, Andrew Thompson, Darren Thompson, Samuel Mason; aunts, Renee Pettiford, Monique Diggs and Michelle Adams. Dale is also survived by a host of cousins as well as nieces and nephews who absolutely adored their "Uncle Dale".

Dale loved God he was charismatic, colorful and adored by many. He could bring laughter to any situation and his chuckle was quite contagious. May his memory continue to put a smile on your face until you meet again
