*I'm just writing to send My condolences to Dale's family and friends, whomever or wherever you all may be—Dale was one of My father's best friends, he's been around My entire life (before adulthood). Anywhere Dale popped up—you knew he was there because everyone else was more chipper, or you heard Dale's distinct chuckle. The news of his death truly broke My heart, and I am honored to have been fortunate enough to view the funeral via Live stream. Thank You all for enriching Dale's life for 56 years—I'll do My part to make sure he is not forgotten. My unofficial Godfather, I'm sorry we couldn't keep connected through this passed/past decade—but you've always and will continue to thrive as the most genuine, charismatic gentleman I've ever known in person.
