“ It’s been a long time. He was my best friend in elementary school. I remember going to his house for his birthday, I think we went to Pizza Hut. I lived in newbridge and he lived in the apartments next. Rest easy ❤️

“ I’m so sorry for your loss and would like to offer my condolences to your family. Death is such a terrible thing for a family to go through, I actually lost my mom about 5yrs ago. I’m truly grateful that I have the truth about death and look forward to the future when there will be a resurrection of both the righteous and the unrighteous.”— ACTS 24:15. I’m sure you would love to see your dead loved one again in the coming Paradise here on earth! Again so sorry for your loss!!

“ *Me and Dalonte met in 7th grade and what we called dated from then until 9th grade. I remembered meeting his family when we went on a field trip to the Washington Zoo and out first date to our 8th grade prom. We had some great times and even kept in touch up to a few years ago. There was never a year that went by regardless of our relationship that I never wished him a happy bday. So sad he's gone but he will not be forgotten.*
