“ To the family, I offer my sincere sympathy. I have experienced the sorrow of losing a family member, a sister, a friend and have experienced the sense of loss that comes with that. However, I have also experienced the comfort provided by " the Father of tender mercies and the God of all comfort who comforts us in all our tribulation." (2 Corinthians 1:3,4) If you "draw close to God he will draw close to you," (James 4:8) and will become your source of comfort as well.##imported-begin##Gwen Winston##imported-end##

“ I send my deepest sympathy for the family of Damion. I know your hearts must be broken at such a loss, because he was so young with so much ahead of him. I too know such a loss, because my only son lost his life at the age of 29. What comforts me is the sure and certain promise of the resurrection. Jesus gave his precious life to make this hope a surety, and one day he will call and millions will hear his voice and come out of the memorial tombs. John 5:25-29 May the love of Jehovah God surround you and comfort you until that glorious day of salvation comes.##imported-begin##R Johnson##imported-end##
