

Damon Jackson

June 4, 1974 - October 10, 2009

DAMON JACKSON departed this life on October 10, 2009. He was born on June 4, 1972 in Baltimore, Maryland to Christina Commodore and the late Donald Jackson. Damon was educated in the Baltimore City Public School System, and graduated from the Lake Clifton High School in 1991, where he majored in business. Damon gave himself to the Lord and was baptized in the name of Jesus Christ at the age of seventeen. After high school, Damon held various positions where he was employed by Bay View Medical Center (Housekeeping), U.S. Postal Service (Mail Carrier), The Body Factor (Personal Trainer), The Department of Public Safety and Correctional Services (Correctional Officer) and The Mass Transit Administration (Bus Driver). While Damon held all of these positions, none seemed to satisfy his love to become a certified personal trainer. Damon's passion began when his uncle Kevin gave him his first workout bench. Damon knew he could make a significant difference in people's lives when it came to their fitness and health. This passion eventually led him to open his own business called ABSolute Personal Training, Inc., where he not only established a large clientele, but genuine friendship as well. Damon also had a special interest in helping high school boys stay fit through training while participating in such sports as basketball and football. He enjoyed hanging out with his friends and had hobbies that included drawing and sometimes sitting for hours playing video games. While in high school, Damon met the love of his life and soulmate Vandelle D. Bean. The two of them were inseparable from the very beginning.

Everyone knew that if they saw Vandelle that Damon wasn't too far behind of vice versa. Their dating extended fourteen years strong; and then they decided to unite in holy matrimony before God, family and friends on October 5, 2002. In 2001, Damon and Vandelle got a cocker spaniel puppy named Diamond, who brought another level of joy to their lives by the love and affection they gave her. Damon was always willing to help anyone in need and he will be truly missed by everyone. Damon leaves to mourn: his wife, Vandelle D. Jackson; dog, Diamond; mother, Christina Commodore; grandmother, Harriet Mcallister; brother, Darryl Jackson; mother-in-law, Denise Bean; father-in-law, Andrew Smith ; grandmother –in-law, Dorothy Bean; sister-in-law, Andrew Smith. He is also survived by many godchildren, uncles, aunts, nieces, nephews, cousins, other relatives and friends.

“ *Someone mentioned your name to me yesterday and all the emotions began to stir. My heart is still broken into a million pieces and my love for you, my dear son-in-law, is as strong as ever. We miss you and continue to look to GOD and our memories to carry us through. It's coming up on four years since you were taken but I know you are watching over us everyday. What do you think of little Miss Destinee? We'll make sure she knows who you are and what you meant to our family. Luv Forever ----Mom Denise*

“ Hi Damon, it's been 3 years since you got your wings, but it seems like just yesterday. I just felt in my heart that I wanted to send you a word of love and thanks. This is a hard time of year for Van and myself because of my Mom's passing. Your absence has left a void, and with time, it doesn't get easier just bearable.

Thank you for the abundance of love, support and protection you gave Vandelle. The pain she received is not fair, but the enemy has not succeeded because she has gained tremendous strength through it all. Vandelle is a sincere person with a kind heart and deserves the best that life has to offer.

Lastly, thank you for the kindness and sincerity you always showed to me and my Sons.

Please know that you will be forever loved and missed.

Lovingly submitted,
Katrina

“ My heart is truly saddened by the tragic loss of Damon. I hope you find strength and endurance from our loving Heavenly Father Jehovah's sure promise that all those in the 'memorial tombs' will hear the voice of his son Christ Jesus and 'come out' by means of the resurrection. (John 5:28, 29). That joyful day is soon to come.##imported-begin##Nikki##imported-end##

“ A message to my dear son-in-law: I miss you and still struggle with the reality that you're not here. Everyday I think about you - your warmth, your smile, your caring ways. You will forever be in my heart. The pain we all feel will be with us for a long time. You were the best husband a mother could ever want for her daughter. Rest in peace. I love you. “ I still can't believe that my best friend is not here. I can still here you joking me about being your only client that has lost 1 pound a year in all the 14 years that i have been training with you. Please continue to watch over Vandele and the rest of your family. You have truly made an impact on my life. Heaven has gotten the best angel. May you rest in peace.
